

**Important Safety Instructions:**

- For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it-contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord's socket. Never alter the plug in any way.
- This instruction is provided for your safety. It is important that they are read carefully and completely before assembling fixture.
- This fixture has been rated for up to **(1) 60-watt TYPE A standard bulb** (not included). To avoid the risk of fire, do not exceed the recommended wattage.

**Warning:**

- To reduce the risk of fire, electrical shock or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.**
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.**
- Keep flammable materials away from lit bulb.**

**Pre-assembly:**

- Remove all parts and hardware from box along with any plastic protective packaging.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

**Assembly Instructions:**

1. Insert the bulb – Max 60 Watt (Type A) Standard (not included) into the socket.

**Care instructions:**

- Clean with soft, dry cloth.
- Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the lamp.
